
From Principal's Desk

Keeping in mind that education plays a vital role in the upliftment of a society and the development of a nation, Mrs. K.M.P.M. Inter College, one of the premier educational institutions in the state and a prestigious unit of JUSCO, has been providing quality education at Intermediate Level to the wards of employees of TATA STEEL and JUSCO as well as others for the last two decades.

The college vision is to nurture young students to become responsible, enterprising, socially conscious and environmentally responsive citizens who will add value to the communities and countries they inhabit. To this end, the college blends pursuit of academic excellence along with value education and personal development through focused extra curricular activities. The college follows the Tata Code of Conduct in its functioning and the values of the same are inculcated in our students.

Our highly proficient team of lecturers look to partnering with the parents of our students to ensure that each one of them reaches their full potential while they are part of our institution. We are proud of an accomplished Alumni who are testimony of the college philosophy of moulding young ignited minds who will be assets of our great country.

With best wishes,

A. K Mishra

MRS KMPM INTER COLLEGE

Mrs. Keoke Monroe Perin Memorial Inter College was the outcome of a pioneering enterprise of the Tata's. It was established in 1986 with the aim of providing Plus-two level education in an endeavour to facilitate further education of children passing their secondary examinations from the Company's schools. When JUSCO was formally launched as a Tata enterprise on April 1, 2004, Mrs. KMPM Inter College became a part of JUSCO.

OUR COMPANY

Jamshedpur Utilities and Services Company Limited (JUSCO) - a unique initiative carved out of Tata Steel in 2004 is committed to comprehensive and sustainable development and management of civic infrastructure and allied services. While it has been making significant headway in creating systems and processes that have improved services and quality of life of the citizens of Jamshedpur, it has also endeavoured to carry forward the legacy of Tata Steel and fulfill the vision of its Founder Jamsetji Nusserwanji Tata of improving the life of the community by also providing education to the children of employees when the Steel plant was set up in the village of Sakchi.

OUR COLLEGE

Mrs. KMPM Inter College is a co-educational institution which started with an initial strength of 1200 students- with a projected capacity of 2400 students in Std. XI and XII. The college follows the courses of study as laid down by the Jharkhand Academic Council, Ranchi. At present more than 2600 students are enrolled in the college. Since its inception the college has been giving outstanding performance in academics, and co-curricular activities.

We believe that we exist in order to improve the student community that we serve. It is therefore necessary to continuously learn and grow in a focused manner. Through a team of highly qualified Lecturers we have for the past twenty years been providing excellent education to students enrolling in our college. Continuously improving trends in our results have earned us the tag of the 'best inter-College in the state of Jharkhand' and this a living testimony of our growth and development.

INFRASTRUCTURE

Mrs. KMPM Inter College is strategically located in the heart of the city of Jamshedpur, and within easy reach of the students privileged to enroll in the institution. Built over a large area, the campus houses 22 classrooms, well equipped laboratories for conducting Practical classes in Botany, Zoology, Physics, Chemistry subjects for Science students; Computer labs with 40 computers for Science and Commerce students; and Practical labs for Psychology and Geography for the Arts students.

A spacious Library has been provided for the use of students and staff for reference work and for issuing books required by them. Besides, the campus also houses a large auditorium.

A Knowledge centre has been added for Lecturers to enhance their teaching skills for the benefit of students.

Five Audio visual Smart Classrooms have been recently added to keep up with the advancements in teaching methodology, and to ensure an atmosphere of interactive learning for all students studying in our campus.

A newly renovated Canteen takes care to provide snacks to students at reasonable rates during the break. Four drinking water points, and separate toilets for girls and boys have been built keeping the needs of the students in mind.

The college also has two large play grounds that are utilized by our sports and games instructor who is also qualified to coach interested students in athletics, volley ball, football and cricket.

In line with the company's emphasis on Safety standards sufficient number of fire extinguishers have been installed at necessary points in the campus to meet safety requirements. Other safety measures are gradually being incorporated into our system through a systematic survey.

To ensure prompt administering of First aid to students if needed, three First-aid kits have been located at strategic places. Staff are trained to administer such aid if needed.

Medical attention to students requiring it becomes the prime responsibility of the college while they are within the campus. In cases of emergency students may be sent to the Tata Main Hospital should the need arise.
